### Lubricant approvals for PALFINGER products

Based on the product data you sent to us per E-mail dated April ..., 2015 and the fact that your products meet the specification of DIN 51 524 and its referring parts PALFINGER AG approves, that the following LUKOIL hydraulic liquids comply with the requirements of PALFINGER products and are herewith confirmed to be used in this machines:

LUKOIL GEYSER ST series  
LUKOIL GEYSER M series  
LUKOIL GEYSER LT series  
LUKOIL GEYSER POLAR  
LUKOIL GEYSER S (HLP-S)  
LUKOIL GEYSER BIO S  
TEBOIL HYDRAULIC OIL POLAR series  
TEBOIL HYDRAULIC OIL series  
TEBOIL HYDRAULIC OIL S series  
TEBOIL HYDRAULIC ECO series

The installer of our product has to select the correct viscosity grade according to our installation guidelines.

With this approval, PALFINGER does not assume any warranty on the oil itself.  
In case of product failures or negative operating result caused by it, warranty claims will not be accepted.
